## BODEGAS AESSIR BOBAL ROSÉ

### **SENSORY ANALYSIS:**

Pale pink color, very clean, with light and subtil intensity.

Very expressive in nose, with well-marked flowers and red fruits typical of the variety where strawberry is highlighted together with roses and violet flowers.

Crispy, round and fleshy in mouth with dry palate and persistent character. Well balanced acidity.

In perfect coherence, confirming in the retro-olfaction phase of rose flowers, violets and red berries.

Gastronomic. Ideal for parings or by the glass.
